### **Communion**

We will be having communion during this morning's church service, so please collect your communion elements as you enter the church this morning. Also, after the service if you could please dispose of these elements in the bins outside that would be greatly appreciated.

### **Live Streaming of our Services**

The Elders want to let you know that we are pausing the live streaming of our services onto Facebook for the time being. There were a couple of concerns that have brought about this decision. A major problem is that we are still waiting for a suitable camera to become available. We are also experiencing some other production issues. So, rather than put an unsatisfactory version up on the web under the name of our church, we think it wise to postpone further live streaming till we can properly sort things out. This means that the live stream to Facebook of services as they happen won't be available over the next few weeks.

We apologise for the fact that neither video will be available, we hope to get everything up and running ASAP. Grace and Peace to you:

Darryl Kernick, David Rapp, Max Davidson (Elders).

### **Keenagers**

Please note that the Monday morning Keenagers program will not be returning. We want to thank everyone who supported and volunteered their time to this much loved program, your service has been invaluable.

### **Election of Church Council**

The forms are now available for nominating people into the Church Council and are located near the exit door. There is one simple form that covers all positions, plus a list of members and simple instructions to help you. We would encourage you to pray about this. If you are not attending church at present due to COVID and would like to receive a form, please contact the church office or church secretary and we will post or email a form to you.

### **Annual Report**

Each department/ ministry of the church needs to submit a paragraph or more for the Annual Report. Please email your report through to Di Jeffs before the 25<sup>th</sup> October.

### **Mowing Roster**

After many years of faithful ministry, Bok is no longer able to continue keeping our yards looking immaculate. We need volunteers to fill a mowing roster for the church. The church has a ride-on mower which makes the job a little easier. If you can spare a couple of hours every few months to assist please let the office know as soon as possible.
