QR Scanner

We now have a QR scanner by the entrance to each church building in hopes to make it smoother to come into church each Sunday. If you have access to a mobile phone with a camera this is a simple way to register into church. If you do not have access to this, we will still be available by the church entrance to sign you in. Also, just a reminder to please use hand sanitizer upon arrival and to adhere to the entrance and exit signs.

Lost Property

We have had a special item that was lost in the ladies bathroom during the week, so if you can give us a description of the item you have lost we would love to return it to you.

Praise and Worship Night

We will be having a praise and worship night on Wednesday 24th March at 5:30pm in the church, all welcome so please come along as we come to worship God as a church family.

Food Ministry Training

Just a reminder for those who have volunteered to do morning tea this term, along with anyone making food for youth group, kids club and Sunday School. You are required to complete the COVID Safe Training Course which is done online through a short questionnaire. Amy will be available to help guide you through the training over the next few weeks, so please see Amy Anderson or Dianne Flanagan if you have any further questions.

Human Rights (Children Born Alive Protection) Bill 2021

There is a proposed bill which has been drafted by George Christensen, MP, which states its purpose as "A bill for an act to protect children born alive (including as a result of terminations), and for related purposes". This legislation if passed would cover babies born alive in abortions throughout all Australian states and territories. If you would like more information of this bill or to support it, please go to <https://www.georgechristensen.com.au/bornalive>

Recent QMM

If you missed our recent Members Meeting, here is a brief update.

- The church decided to explore the purchase of new seats for our church auditorium
- Our own keyboard will be bought and we are very thankful for the loan of Patrick and Cassie Mjambili's keyboard in the interim
- The bus will be housed in the undercover area behind the ministry centre after some extension work has been completed
- The church received a grant for playground equipment before COVID and various options are being researched
